

# flange mounting FZF-50

Part number: 161816

FESTO

For cylinder DZF.

## Data sheet

| Feature                                 | Value                                       |
|-----------------------------------------|---------------------------------------------|
| Size                                    | 50                                          |
| Assembly position                       | Any                                         |
| Corrosion resistance classification CRC | 2 - Moderate corrosion stress               |
| Ambient temperature                     | -40 ... 150 °C                              |
| Product weight                          | 167 g                                       |
| Materials note                          | Free of copper and PTFE<br>Conforms to RoHS |
| Material mounting                       | Wrought aluminium alloy, anodised           |
| Material screws                         | Galvanised steel                            |
